

MORE INFORMATION

Remember, A.B.A.T.E. of Southern Nevada is not a club. A.B.A.T.E. of Southern Nevada is an organization designed for all riders. You pay a yearly membership fee and get as much out of the organization as you put into it. There are no mandatory obligations involved with this organization. You do not have to "prospect" to become a member. A.B.A.T.E. of Southern Nevada provides the means for independent riders to come together for a common cause, to exchange ideas and have fun with other area motorcyclists. Let's face it, the people who are making the laws affecting motorcycling, know little or nothing about motorcycles. By working together we can prevent legislation which will adversely affect our chosen sport or mode of transportation. Through A.B.A.T.E. of Southern Nevada we can work to present a positive image of motorcycling and encourage its continued growth.
